To the Parents of Leblanc Students,

As you may be aware the staff at the Leblanc needed to call 911 for police assistance on Thursday, September 23, 2021, at approximately 10:30AM. The Lowell Police Department immediately responded. The situation was quickly addressed with the assistance of the Police, while all the non-involved students were maintained safely in their classrooms with the support of their classroom teachers and staff. As Coordinator, I have determined appropriate next steps and/or actions in response to this incident.

Please know that we take the safety of each of our students and staff members, and our school environment, very seriously. We are proud of the students that assisted us by maintaining themselves in their classrooms and by following the directions of all school personnel. If your child was in school on Thursday, and has any concerns about the event, please have them reach out to one of their designated support staff or contact me directly so we can be responsive to your child's needs and/or concerns.

Please contact me directly if you have questions.

Sincerely,

Carolyn Cuneo
